On January 31, 2011, the Youth Association of Rochester (YA) celebrated 22 years of ministry. The YA serves as a catalyst for fellowship among ethnically and denominationally diverse church youth groups and coordinates mission trips to Colombia and Ecuador. Our picture features the three YA coordinators (Jack, Janice, Mateo), Alfredo Feliciano (result of YA ministry who, with his family, prepares for full-time missionary work in South East Asia), and Jon Cole (representing our link from Urban Rochester to other churches in Western New York). Current plans are for mission trips to Colombia (2011) and Ecuador (2012).

PRAY with us as we refocus our mission and build up our structure over the next two years.
