Youth for Christ exists to see positive change in the lives of young people. The ministries we offer serve as a catalyst for young people being introduced to Jesus. Campus Life Clubs, our core ministry, serve as a weekly opportunity to initiate relationships. We have Clubs in Wellsville, Whitesville, Cuba, Friendship, Harrison Valley, PA, Fillmore, and Belfast. There are also 5 Youth Centers that aid in getting students off the streets and into a safe environment (Wellsville, Whitesville, Nunda, Fillmore, Rushford). Skate Parks are offered at Wellsville, Fillmore, and Rushford sites. Also, annually dozens of students are involved in leadership programs, small groups, trips, events, and Project Serve mission opportunities. Please pray for Keith Chase, the new Executive Director, who will be assuming this role in May when Ralph Eastlack steps down after many years of effective service.
