The mission of Wellspring is to share the gospel of Jesus Christ with the people of Allegany County by providing food, clothing, household goods, and encouragement. As a result of prayer and financial support, it provides an effective and safe soup kitchen, clothes closet, and resource referral center for needy individuals. Individuals and families are given opportunities to heal emotionally, physically, and spiritually by working in concert with appropriate churches, agencies and institutions.

Wellspring asks for support through prayer, tax-deductible contributions, donations of food for the ongoing soup kitchen, and donations of like-new/or new clothing and household goods for those in need. Becoming a hands-on volunteer is also a possibility, doing anything from washing dishes to praying with a homeless person. For information regarding specific needs please call the phone number listed above.
